'Cats claw Miners

by Don McWilliams

Miner Baseball Coach Andy Cohen has got to be in a very hazy mood trying to figure out why his team was blasted out over the weekend by the worst in the Western Athletic Conference.

As the record shows the Miners were blown out by the previous winless Arizona Wildcats over this past drizzly weekend. The Miners were prolonged from some agony Friday when the games were postponed due to rain. However, on Saturday the Wildcats capitalized several on Texas-El Paso errors to walk away with a doubleheader sweep and chalk up it's first WAC victories.

Despite the fact that the Miners outlit the Wildcats 13-12, in the first game, five errors proved to be the key as they fell under the Wildcat charge by the score of 15-3. The Wildcats came out smoking with powerful slugger Ron Hassey and the Miners weakpitching played it's toll. Hassey continued

to bury salt into the opposition's wound when he blasted a granddam in the seventh inning to kill the Miners for good and capture the first game.

In the second game the Miners were shocked with another hitting spree by the Wildcats as they jumped on Jerry Walker and creamed the slumbering Miner attack by the score of 8-1.

Hassey, ended all hopes of a Texas-El Paso rally in the seventh when he floated two run homer over the fence to send Cohen back to the drawing board.

The third game was much worse as Dave Jannusch attempted to stop the Wildcats, but, they were hot and again Cohen and company fell to a bruising and a beating losing the final game of the three-game series by the score of 13-1.

The Miners are now 1-5 for the WAC and hold a 7-14 record overall this season. Next WAC games will be against league leading Arizona State April 23 and 24.

Big man's battle

SAE wins second title

Win streak extended to 35

by Angelo Pokluda

Sigma Alpha Epsilon (SAE) captured its second straight intramural basketball championship recently with a 43-36 victory over the Padukies.

SAE now owns a 36-game winning streak over the past two seasons.

The SAE starting five of Don Waters, Don Kovach, Bill

Lovelady, Carl Bailey and Gilbert Izquierdo all played varsity basketball at Coronado High School.

"Since most of us have played together for many years, we form a tight team because we know the way each plays," explained player-coach Bailey.

The Padukies took the independent Sky League crown with a 10-2 record. They went undefeated through the playoffs and won the independent division with a revenge win over the Masterpiece, which had handed them their first defeat.

The SAE's dominated the early going with aggressive board play and several steals on defense, leading 12-3 with six minutes left in the opening half.

At that point, however, the Padukies staged a strong comeback. A bucket by player-coach Benny Cooper put them in the lead for the first time 18-17 with less than a minute to go. But Bailey answered it just before the buzzer to give the fraternity a 19-18 halftime margin.

The Padukies pretty much picked up where they left off in the second half, leading by as much as seven points at times. But Bailey's hot hand kept things close, and SAE went ahead to stay with about five minutes left.
