Minneapolis trails Denver 6-7 for the season but, when the Millers beat the Bears, they usually do a good job—like Friday night when they rapped 14 hits for an 11-3 victory before 3,415 at Metropolitan stadium.

It was their fourth time in double figures against Denver anw now, in five of their triumphs over the Bears, they have scored an even **FIFTY** runs. Other wins came by scores of 10-3, 10-2, 10-5, 9-2 and 11-1.

THERE was only one home run among the 14 blows off five Denver pitchers. That was slugged by Lu Clinton off Charlie Templeton with two on in the eighth and was interesting because it marked the third time the tall rookie has hit a three-run round tripper here against the Bears. He previously did it May 17 and 18.

Lu's only other homer came May 22 against Omaha—with one on—so his four circuit wallops now have accounted for 11 runs.

All the scoring naturally was pleasing to the crowd and there were smiles, for a change, in the Miller clubhouse. After all, every Miller got at least one hit except starting pitcher Duane Wilson and he picked up the victory.

Manager Gene Mauch shook up his lineup again and liked it so well he plans to keep it for a while. He benched Pumpsie Green who had got to worrying about a batting slump and plans to give the youngster a good rest until he is relaxed and refreshed.

THE SHIFTS saw Harry Malmberg get his first shot of the season at shortstop, with Eddie Sadowski going to right field and Red Robbins to third base. Both Malmberg and Sadowski turned in good plays although Eddie had to retire with a minor leg bruise which happily, does not figure to keep him out of the lineup.

WILSON AND Harry Dorish combined to hold the Bears to five hits but the wildness prevented the new southpaw from going the route. He walked nine, five of them in the sixth inning when Denver got all its runs with the aid of a lone single and Robbins' error.

"I hadn't pitched for three weeks and that plate looked mighty small," Wilson said. "But I had good stuff and I think I'll be all right when I've thrown some more."

DIAMOND DUST: Denver manager Andy Cohen used 17 of his 20 players in the game, seven of them being listed in the leadoff position in the batting order . . .

Manager Mauch did some fancy base running . . . In the fifth he stole third on Flowers on the front end of a double steal and took three bases on a bunt in the sixth . . . Malmberg was out at the plate on Gene's attempted squeeze but the hustling pilot kept on going around first with no one covering second and reached third when John Blanchard threw into center field . . .

Tom Umphlett had a big night with two hits, three runs batted in, a stolen base and a rousing catch on Vern Rapp . . .

Cubs Make 3-team Race

By United Press International

Manager Bill Rigney's cold is a lot better today, thank you, because it looks like Willie Mays is getting hot again.

That's the news from San Francisco where the amazing Giants took over first place in the National league by an .004 margin over Milwaukee by beating the Pittsburgh Pirates, 5-4, last night on a key two-run triple by Willie the Wonder.

Rigney missed the game because of a severe cold, but

HOMERS BY ERNIE Banks and Walt Moryn produced five runs as the Cubs snapped the Braves' four-game winning streak.

Cincinnati beat slumping St. Louis 8-3 and 2-1, Don Newcombe winning his second game in the opener and Bob Purkey his 11th in the nightcap. Newcombe helped his own cause with three hits, including a 420-foot homer.

Steve Bilko's three-run fifth-inning homer featured a six-run rally that carried the Los Angeles Dodgers to
