

New Pitchers Shine In Miner Sweep

By MARK LEIBSON
Times Sports Writer

Steve Salvo had a right to boast about two junior college pitchers he signed from New Jersey. "If you think Jim Sacco had a good game, wait until you see Nick Fiorello."

The University of Texas at El Paso assistant baseball coach wasn't far off with his prediction as Sacco and Fiorello hurled the Miners to 12-0 and 17-2 victories over New Mexico Highlands Friday at Technical High School.

Both pitchers allowed only one hit apiece during their five-inning stretches. "Fiorello threw all right but wait until he goes up against better competition Monday against Brigham Young. Then you'll see what kind of pitcher he is," said Salvo.

UTEP's starting lineup paved the way for Sacco and Fiorello by giving

Sacco a seven-run cushion in the first inning of the opener and Fiorello a nine-run advantage in the nightcap.

"We were really socking the ball today," said Coach Andy Cohen after his Miners now own a 2-0 record with two more games beginning at noon Saturday at Tech against the 0-2 Cowboys. "I think the boys turned in an all-around effort. Everybody was hustling. That's the kind of play we need out of them."

The first game lasted only five innings because of the 10-run rule but the second was stretched to seven innings to give both teams more playing time although the Miners led at one point 17-0.

Designated hitter Bill Roberts produced big hits in the opener by slamming a two-run double to left center in the first inning and a triple to deep center in the second inning which

scored two more runs. He also scored both times.

Sacco's no-hitter was ruined in the fourth when Robert Horwedel slapped a sharp single to left. No other Cowboys came close to base hits off Sacco who struck out five batters but was a little wild in allowing six walks.

Errors became a nightmare for Highlands' hurler Dennis Rino in the first frame of the second game. Of the nine runs UTEP scored, only two were earned. Four errors enabled the Miners to send 15 batters to the plate. The bases were loaded when reliever Manny Rivera finally forced Art Flores to fly to center for the third out.

Again, UTEP's DH produced most of the power. Steve Anson, a veteran from last season, capped a five-run third inning with a two-run homer to right-center followed by a triple two

innings later. Flores also had a two-run four-bagger in the third as Miner hitters unloaded on four Cowboy pitchers for 17 hits, three each by Art Bravo and Danny Haygood.

During Fiorello's five innings, he striking out seven batters and walking one. Reliever K. C. Nix was banged around by the hungry Cowboys for four hits the last two innings, two more than they were allowed the previous 10 innings.
