

Miners Need Field Plays, Lose in Albq.

Special to the Herald-Post

ALBUQUERQUE — When Andy Cohen's U.T. El Paso baseball team met the University of Albuquerque Dons here today the Miners hoped to back up their pitcher, Bill Disselhorst, with some steady fielding.

THE DONS today held a 3-1 win-loss advantage over the Miners after an 8-1 win yesterday behind what Cohen called "sloppy fielding."

Cohen said, "Harvey Milner hurled a fine game but was beaten with those errors. I took him out in the sixth inning. But the Miners didn't again this trip if needed to, they also were beginning to get to him after those five unearned runs."

The Dons drew first blood on a home run in the second inning. But the Miners didn't let down and came back in the top of the fifth for their lone run.

MIKE WARD who was three-for four for the afternoon, scored the run on a single by Ron Rush.

The Dons record is now 17-10 while the Miners hold an 11-11 mark.
