

UTEP Splits With Aggies— Cohen Encouraged After Miner Win

By MIKE PEMBERTON

Coach Andy Cohen was encouraged today when his U.T. El Paso Miner baseballers began preparation for a Western Athletic Conference series with New Mexico University.

Cohen's reason for encouragement, today, is his win over the New Mexico State Aggies in a split twin-bill at Hugo Meyer Field yesterday which the Aggies won the opener 9-8 and the Miners the second bout 2-1.

COHEN SAID, "the difference in the two ball games was the pitching. We got the pitching in the second game and when we finally got it in the first we were too far behind to catch up."

"In the first game my pitchers got behind on the batters and then had to serve them the fat pitch. In the first inning we gave up two walks that eventually scored; this might have been the difference in the score," Cohen said.

Despite an 11 hit batting attack, which included three homers, the Miners could only get within one run off the Aggies. The homers were lashed out by Ron Hix and

John Murphey. Hix collected two of the homers and had one on the first time.

THE AGGIES jumped off to a four run lead and managed to stay one jump ahead of the Miners throughout the game behind the bats of Rod Soesbe and Jim Tulk.

The Miners won behind the arm of lefty Marc Bombard in the second game. Bombard went the distance for the Miners shutting out the Ags until the top of the sixth when NMSU got its lone run. The Aggies threatened again in the top of the seventh, but Bombard put out the fire with two men on base and no one out.

FIRST GAME
