

Cohen's Nine Will Tangle With Cats

Coach Andy Cohen takes his U.T. El Paso Miner baseball team to Tucson for the last three games of the year with the University of Arizona and will be hoping to make the Arizona bunch eat their words.

ANOTHER ARIZONA school, Arizona State University, clinched the southern Division championship Saturday at Dudley Field when they took a twin-bill from the Miners, 10-2 and 13-1.

Cohen said, "Harry Milner was pitching a very respectable game until the fifth inning when I took him out for a pinch hitter but the other pitchers just couldn't hold them."

Sun Devil centerfielder Paul Ray Powell began the routing in the top of the fifth with a two run homer. It continued with the Sun Devils adding five in the seventh.

IN THE SECOND game Bill Disselhorst also held the big ASU bats down until the fifth when they opened up a three run lead on the Miners. "Disselhorst threw well," Cohen said. "He was keeping the curve ball low on the Sun Devils."

Cohen then went through a series of pitchers and finally had to resort to catcher Ron Hix for relief. "Hix came in to put out the fire," Cohen said.
