

Miners Split Twinbill With Aggies

By MARK LEIBSON
Times Sports Writer

New Mexico State's nickname of "Mini-Machine" has been changed during baseball season to the "Mighty-Machine".

Showing the determination to destroy an arch-rival, Coach Jim Kwasny's Aggies struck for 16 hits on their way to a 17-7 shelling over the University of Texas at El Paso in the second game of a doubleheader Wednesday.

The Miners switched places in the opener as George Landreth improved his record to 3-1 as U.T. El Paso scored all its runs in the first two innings while coasting to a 7-3 triumph and a split of the twin bill.

Aggies Sign Two Recruits

LAS CRUCES, N.M. — New Mexico State's ever-growing football recruiting list was increased by two Wednesday as Greg Philson of Denver and Tom Howe of Chicago, a pair of high school athletes boasting size and versatility, signed national letters of intent with the Aggies.

The addition of Philson, a 6-2, 205-pound fullback-linebacker, and Howe, a 6-3, 230-pound offensive tackle, brings to 20 the number of recruits inked by the Crimson Pride this spring and the pair of newest signees gives NMSU strength at key positions.

"We have been hitting the ball pretty well," said Kwasny following his team's runaway victory at Dudley Field. "We played Western New Mexico four games and scored 57 runs in the series.

"We scored 42 runs against Southern Colorado in three games. So far, this team has been averaging around 13 runs per game."

The Miners were witnesses to the powerful Aggie hitting attack in the nightcap but a strong wind blowing from third to first base up to 61 miles per hour caused numerous Aggie pop ups to fall in for hits.

As the first game started under hurricane conditions, the Miners quickly built a comfortable advantage with a five-run outburst in the opening frame.

With NMSU ahead by one, Bob Alsop and Glenn Villarreal started the festivities with back-to-back doubles followed by Roy Stringer's single, Joey Pennies fielder's choice and Terry Dillingham's third home run of the season, a three-run blast which knocked home Stringer and Pennies.

Coach Andy Cohen's diamondmen added a pair in the second started by Villarreal's single to center. With two away, Pennies blasted his first triple this year to left-center field scoring Villarreal. Dillingham's single chased Pennies across.

Winning pitcher Landreth never faced serious trouble as the lefty recorded his third consecutive victory.

The only Aggie player to bother the big southpaw was leadoff hitter Randy Diaz-Gonzalez. The NMSU centerfielder scored all three Aggie runs in the first, third and fifth innings by collecting three consecutive hits and stealing two bases.

The second game was a nightmare for Cohen's 13-8 Miners although the first two innings saw both teams tied at two runs apiece.

Even three homers by Villarreal, Pennies and Dillingham couldn't match NMSU's 16-hit performance which forced Cohen to use five Miner hurlers before the seven-inning affair was completed.

An error by the Miners allowed New Mexico State to score two unearned runs in the second which were matched by Stringer's two-run tater to left field.

The Aggie third inning proved the difference as 11

NMSU players marched to the plate while scoring six runs off loser Ron Wrobel (2-2).

U.T. El Paso came up with three runs in its half of the frame on Dillingham's second home run of the day, a line shot that sailed high over the 30-foot fence in right field.

NMSU bats never stopped making noise and after five more Aggie runs were recorded in the fifth, all Miner hopes were quickly blown away along with the dust that forced brief pauses time and time again during the two games while players wiped their eyes of the sand.

The only bright spot for the Miners thereafter was Pennie's homerun ball that cleared the right field wall two feet in-bounds.

New Mexico State now owns a 10-9 record.

Thursday is an off date for Cohen's Miners and on Friday, U.T. El Paso hosts Western New Mexico at 1 p.m. for two games followed by another doubleheader Saturday.
