up there on the list. Also Christy Matthewson, Ross Youngs, Mel Ott and Travis Jackson."

How would he handle a screwball type like, say, Billy Loes?

"All I know about Loes is what I read. He might not give him a pat on the back but he would find some way of straightening him out. He might help him with money — he did that for a lot of fellows of this type and it worked.

"Let's put it this way: If a guy could win for him, McGraw would find some way of getting along with him. If there was no way he could do this, it was the player who would suffer. McGraw would send him somewhere where he couldn't do himself much good.

"I've heard some people say that if you made a mistake you couldn't play for McGraw, but that isn't so. He knew nobody was perfect. It was the guy who was continually afraid of what McGraw would say if he had made a mistake who was bound to get into trouble."

With that Coach Andy Cohen said so long, picked up a bat and began hitting grounders to the Phil infield.
