

## Pels Better Team Than Now Showing

*New Orleans had lost to Nashville Friday night, but Andy Cohen, the popular Pelican pilot, wasn't down, like so many managers get when misfortune takes up with them . . . "We've got a better team than our record shows," Andy commented as he hitched a ride to his hotel. "Our pitching has been erratic. We've got some very good youngsters that will make fine pitchers in time. We've been making too many mistakes . . ."*

The more Ernie White sees of Bob Schultz, the more he likes the big lefthander who was signed a week ago today as a free agent . . . Bob appeared in four games during the week and now he gets a chance as a starter . . . "He's a fine competitor," remarked the Vol manager after Friday night's victory.
