EL PASO—It was a great day for roasting here Friday afternoon, with the temperatures in the high nineties.

And Texas-El Paso coach Andy Cohen found the perfect sacrificial lamb—righthander Bobby Knox.

Arizona's Wildcats, behind the five-hit pitching of Dave Breuker, belted surprise starter Knox and reliever Tony Medellin around for 11 hits and received seven walks as they blanked the Miners, 10-0.

The victory kept UA atop the Western Athletic Conference Southern Division standings at 11-2, while UTEP remained in the cellar at 2-11. Arizona is 51-4 overall and the Miners 24-22.

Today the clubs square off in a 10 a.m. doubleheader, with righthanders Mark Schimpf (11-0) and Ron Bell (3-0) going for UA, while Cohen will use Roy Stringer (6-3) and probably Jeff Hogan (3-4).

And that rotation is pretty much what everyone had thought.

Cohen held his ace Stringer out of Friday's "gimmee" to the hot Breuker in the hopes he can pick up a victory today.

Breuker, who fanned nine and walked three, ran his consecutive scoreless inning streak to 32½ innings—including 38 strikeouts. And it was thought he had tied Rich Hinton's school record 14 victories until UA officials checked and found out Donnie Lee won 15 in 1956.
