

Miners Host HSU In Baseball '74

"We're feeling good, everyone's healthy and looking forward to the season," University of Texas at El Paso baseball coach Andy Cohen said on the eve of the season opener hosting Hardin-Simmons. To go along with that Cohen feels confident.

U.T. El Paso begins, 1974 play dueling the Cowboys 1 and 3 p.m. at Dudley Field Thursday and Friday.

Freshman David Jannusch, a 6-foot-2, 175 pound righthander from Carpentersville, Ill., got Cohen's nod for the starting assignment. Jannusch hasn't seen action yet this year even though the Miners took three and dropped one to the visiting national junior college champions from Ranger, Tex., last week during pre-season exhibition play. Jannusch just recovered from the flu and was given the mound-role Wednesday.

Mike Hilton, a returning letterman from Andrews, Tex., may take the second game Thursday according to Cohen. "I'm still undecided," Cohen said. "Danny (Modlinski) did such a good job in relief last week as did Tony (Medellin) I'll have to wait and see."

Sam Cox will probably start the first game Friday, with

Modlinski or Medellin standing by, along with Hilton and Bob Knox.

Terry Dillingham, Keith Rushing and Jim Walsh will see duty as designated hitters against the Cowboys.

The Detroit Tigers drew 1,724,146 fans to their home baseball games last season.
