

Miners Sweep Two From NM Aggies

The University of Texas at El Paso's Miners pushed their season total to 7-4 Monday by sweeping a doubleheader from New Mexico State, 9-1 and 4-2.

For the first time in 1974 Coach Andy Cohen got back-to-back complete games from his pitching staff as righthanders Bob Knox and Tony Medellin went the distance and collected the wins.

The Miners, rebounding from a shellacking Saturday at the hands of Big Eight champ Oklahoma, kept the Aggies out of the scoring column in the first game until the top half of the seventh when Knox gave up three of the five hits he allowed.

The third inning decided the ball game as the Miners tallied seven runs on five hits and two sacrifices. Leftfielder Herb Von Hagen led off the inning with a walk followed by Mark Miller's single.

Then Glenn Villarreal bunted and was safe when the pitcher bobbled the grounder. Clean-up man Bob Downing doubled to bring home two. Later short-stop David Nance singled to score another followed by Von Hagen who doubled, scoring another. The Miners added insurance runs in the fourth and sixth to coast to win number six.

In the nightcap, U. T. El Paso finally got to Aggie starter Mike Stone in the third for all four runs. The Miners loaded

the bases when Mike Miller and Nance singled and Von Hagen walked. It looked like the Aggies might thwart the rally when Mark Miller's grounder was used to force Mike Miller at home, but then Glenn Villarreal singled to drive in one and Downing doubled to bring in the other three.

The Aggies scored once in the second and started a rally in the top of the seventh when Jon Toledo singled and moved to third when the following two batters were put out. Sherman singled to keep the rally alive and bring in the only other Aggie score. Second sacker Larry Tuttle followed that with another single before Rudy Telles grounded out to end the inning.

The Aggies are now 1-8 on the year and the Miners 7-4. Next home action for U. T. El Paso will be Thursday and Friday when it hosts the University of Denver for single games both days.
