Denver To Play Here On Aug. 25

Denver's Bears, currently runnersup in the American Assn. baseball standing, will meet the Fargo-Moorhead Twins of the Northern League in an exhibition game at Barnett Field here at 8 p.m. on Monday, Aug. 25.

Negotiations for the game have been going between Ken Blackman, general manager of the Fargo-Moorhead club, and Denver officials for almost a month.

Andy Cohen, former Northern League manager at Eau Claire, now Denver pilot, had indicated at the Eagles baseball dinner here in February that he would favor stopping here for an exhibition game if the schedule permitted.

Denver and Fargo-Moorhead are in the Yankee farm system.

Denver will be the second American Assn. team to play against the Twins here. Fargo-Moorhead defeated St. Paul here in 1956 in a 13-12 slugfest.

Because of the demand for tickets by people living in rural areas, who are on Central Standard Time, the game is being delayed a half hour later than for Northern League contests and will be played at 8 p.m. (CDT).

Blackman said no opportunity to set up a ticket sale has been possible, but that plans would be announced early in the week.

The Twins, scheduled at Eau Claire on Aug. 25, will play the contest off in a doubleheader at a time to be designated.
