HIT-AND-RUN—It was Railroad Night and the attendance was 2,349. Managers Andy Cohen of the Indians and Ma Macon received tie clasps and cuff links with railroad insignia.

Denver will open a Victor Field series tonight.

DuFour gave up eight of the 10 St. Paul hits, while George Spencer yielded the other two in the ninth. Beard helped catch off a run when he threw out McDevitt trying to reach third on Bob Lillis' single.

LARKER apparently lost count of the outs in the fifth. Beard was on first with two out when Vince Garcia bounced to the first baseman. However, Larker threw to second and the surprised Lillis hurried over in time for the peg.

Two Tribesmen were left in the first when Delsing was called out on strikes and Mel forced Jackson.

McDevitt did have a one-hitter May 20 when he bested Louisville, 4-1.

Beard was applauded in the third when he stole third while McDevitt was holding the ball on the mound.
