

Boy Scout Troop No. 99 Cleans Landscaped Area

A group of 15 boys, members of Boy Scout Troop No. 99, sponsored by Our Lady's Youth Center, today cleaned the area in the 4900 block of Montana street, across from Loretto Shopping Center.

This is an annual program of the center. Tula Irrobali is OLYC program director.

THE AREA was landscaped with native plants some three years ago. The workers cleared paper, cans and bottles and other debris away.
