

'Hitterish' Miners Take Two

"Hitterish" was the way coach Andy Cohen described the U.T. El Paso miner baseball team today after they took Highlands University 13-4 and 10-3 at Dudley Field.

"We put everything together and hit the ball real well," Cohen said. "It just seemed like everything jelled for us."

TWO OF COHEN'S lefties collected wins for the day. Marc Bombard went the distance in the first and Harry Millner the distance in the second.

"Both pitchers were real steady throughout the game," Cohen said.

Leading the Miners at the plate were Al Molberg, Bob Poprokowicz and Rick Butler.

Cohen said, "after the game their coach came up to me and ask how we lost to Regis the way we did."

Jim Greggerson got the call for the Miners on the mound today.
