BEAUTY AND THE MARINES—Marines are famous for their ability to take on and finish tough jobs. The Young Marines Organization, with the backing of the Beautify El Paso Assn., decided to clean up Concordia Cemetery. This past Saturday a large group set to work and after working almost all day, they had cleared an area about the size of a football field and accumulated a very large pile of weeds and trash. Above are from left: Mrs. W. W. Lake and Andy Cohen of the Beautify El Paso League; Richard Bouche, Victor Perez, Ralph Orner, Elizeo Delgado and Ray Gillespie. Mr. Orner is the group leader.
